KINDER 1 ART COURSE SYLLABUS

GRADE LEVEL: K1

TEACHER: Adriana Nolin

SCHOOL YEAR:2022-2023

EMAIL:anolin@dishs.tp.edu.tw

COURSE DESCRIPTION:

This course is designed to consistently give students a sound basis for visual literacy and appreciation, accomplishment in art making, and an understanding of historical context, and provide opportunities for community engagement and visibility. Through experiential learning and critical engagement, we will foster understanding of and respect for the crucial contributions of art to society.

At the most basic level, Kindergarten Art students will be introduced to the proper use of media techniques and supplies, in a respectful and fun environment, encouraging creativity, self-expression and critical thinking skills. Students will enjoy art class one period a week (45 minutes) during the school year.

COURSE OBJECTIVES:

At the end of this course, students will be able to:

Make proper and responsible use of basic art supplies such as glue, scissors, brushes and paint

Learn how to listen to a set of directions (of 2 or 3 steps)

Observe the repeated patterns made by our surroundings, such as patterns made by the leaves on a tree or the bricks in our building.

Identify lines, colors, shapes and forms, and textures; and observe changes in the shadows and in the sunlight.

Identify perspective, noticing how objects appear to be larger when close and smaller when far away.

Use the visual information to create works of art on paper and in three-dimensional constructions, using geometric shapes and lines that express feelings.

Discover how artists use the same lines and colors that they do in their own work.

Use new vocabulary as they tell why they like a work of art they made and learn about a variety of artwork in the world around them.

SUBJECT: Pre-Kinder Art
