GRADE LEVEL: Grade-10

TEACHER: Dr. John Nguyen

SCHOOL YEAR: 2023-2024

Email: jnguyen@dishs.tp.edu.tw

The DIS Physical Education program will follow the SHAPE America's National Standards & Grade-Level Outcomes for K-12 Physical Education define what a student should know and be able to do as a result of a highly effective physical education program. State school districts across the country use the National Standards to develop or revise existing standards, frameworks, and curricula.

#### 1. COURSE DESCRIPTION

In grade-10, the physical education course will prepare students on how to maintain a healthy lifestyle through performing exercises and different kinds of sports. They will learn basic training principles that can be applied to their daily life, to learn the basic health knowledge and practices that ensure that they will be able to make wise health decisions that also involve their healthy life. Topics would include fitness components, athletic training, and individual and team sports. The students have fun enjoying sports and exercise, aiming to mold students' behavior to engage in physical activity and sports even outside the school programs.

# 2. COURSE GOAL ☐ Discusses the nature/background of sports ☐ Explains the health and fitness benefits derived from playing team/individual sports. ☐ Activities are expected to have the opportunity to build their knowledge and skills which empowers students to engage in different kinds of sports, to promote health and fitness. ☐ Assess and maintain a level of physical fitness to improve health and sports performance. □ To develop a sense of fair play and cooperation in students and the ability to work in groups, leading to increased cultural understanding. ☐ To provide opportunities for integration of physical education with other subject areas: health, language, math, social studies, science, music, and arts. ☐ Demonstrate and utilize knowledge of psychological and sociological concepts, principles, and strategies as applied to learning and sports performance. ☐ Demonstrate knowledge of motor skills, movement concepts, principles, and strategies as they apply to learning and performance of physical activities. 3. STUDENT ACTIVITIES Students will be taught various stimulating activities to develop their alertness, balance, coordination, strength, agility, endurance, flexibility, and fine and gross motor skills through movement. Activities include warmup activities, fitness activities, movement awareness, rhythms and dance, play gymnastics, game skills, special games, basic coaching, officiating, and closing activities. These activities are carefully chosen with the child's need in mind with the aim of creating a well-balanced physical education lesson. ☐ Online Class Lectures and Seatwork

#### 4. FORMATS FOR PROPER EXERCISE

☐ Practicing different types of locomotion

☐ Exercise and fitness indoor and outdoor activities

☐ Recreational activities

☐ Playing different sports

☐ Conditioning training

☐ Circuit training

The following steps are the proper sequence based on the Anatomy of Workouts based on the book Successful Coaching to avoid overtraining and injury.

ACAI	<b>DEMIC DISHONESTY</b> : Academic Dishonesty means employing a method or technique or
engag	ing in conduct in an academic endeavor that contravenes the standards of ethical integrity
expect	ted at DIS. Academic dishonesty includes but is not limited to, the following:
	Purposely incorporating the ideas, words of sentences, paragraphs, or parts thereof without
	appropriate acknowledgment and representing the product as one's own work; and
	Representing another's intellectual work such as photographs, paintings, drawings, sculpture,
	or research or the like as one's own, including failure to attribute content to an AI.
	Employing a tutor, making use of Artificial Intelligence without acknowledgment, getting a
	parent to write a paper or do an assignment, and paying for an essay to be written by someone
	else and presented as the student's own work.
	Committing any act that a reasonable person would conclude, when informed of the
	evidence, to be a dishonest means of obtaining or attempting to obtain credit for academic
	work.
A	ny act of academic dishonesty will result in an automatic zero on the entire
