

SUBJECT: Physical Education

GRADE LEVEL: Grade 3

TEACHER: Emily Lacangan

SCHOOL YEAR: 2023-2024

EMAIL: elacangan@dishs.tp.edu.tw

The DIS Physical Education program will follow the SHAPE America's National Standards & Grade-Level Outcomes for K-12 Physical Education define what a student should know and be able to do as a results of a highly effective education program. States and native school districts across the country use the National Standards to develop or revise existing standards, frameworks and curricula.

COURSE DESCRIPTION:

The activities and topics within the education program enable young basic learners to develop their basic and movement skills, knowledge and most significantly, their attitudes necessary to steer an active, healthy lifestyle. The course includes a good sort of activities like dancing, basic gymnastics, calisthenics, and Introduction to basic sports skills. In addition, emphasis on developing values like sportsmanship, perseverance and fair play are incorporated to every activity.

COURSE OBJECTIVES:

1. To foster in children a love of physical activity and play.
2. To instill a need for physical fitness in each child.
3. To develop coordination, balance, agility, alertness and control through movement.
4. To provide opportunities for increased responsibility in planning, organizing, and leadership.
5. To learn as much skills, games and dance experience as possible.
6. To encourage opportunities for children to belong to a group in which each child is accepted.
7. To provide experiences which will develop initiative, self-reliance, self-worth, loyalty, honesty, kindness to others and a love of learning
8. To create a sense of fair play and co-operation in children and the ability to working in groups, leading to increased cultural understanding

9. To provide opportunities for integration of P.E. with other subject areas: language arts, math, social studies, science, health, music and art.

Guidelines for working with groups

- Respect everyone's feelings
- Use each other's' strengths, not weaknesses
- Give regeneration when someone does something well
- Compete to enhance your group, not necessarily against other groups
- Safety first
- Anticipate unsafe situations
- Try everyone's suggestions then formulate/try what is going to best suit your group.

Attendance

Students are expected to meet at the designated area, no later than 5 minutes after the bell. If they are later than 5 minutes, the student will be marked as tardy. Class will be dismissed 5-8 minutes before the dismissal bell to prepare changing their clothes

Students with any type of health-related issue must notify the school nurse, and their PE teacher.

Excuses

1. If a student is not to participate in class due to illness/injury, she/he is to bring a note from parent/guardian/nurse
2. If a student is present at school, but not feeling well, they must see the nurse, and, at the discretion of the PE Teacher, complete a sports/health related assignment in the library
3. If a student is to be excused for more than 3 consecutive days, a doctor's note is required (see handbook,) and, at the discretion of the PE Teacher, complete a sports/health related assignment.
4. If a student is to be limited in participation, a doctor's note is required

Teaching Strategies

The teaching strategies depend on student learning styles and behavior in class. The teacher uses the google classroom for posting homework, advance announcement, PowerPoint presentation, health articles, sports and fitness related videos.

Academic Dishonesty means employing a method or technique or engaging in conduct in an academic endeavor that contravenes the standards of ethical integrity expected at DIS. Academic dishonesty includes but is not limited to, the following:

1. Purposely incorporating the ideas, words of sentences, paragraphs, or parts thereof without appropriate acknowledgment and representing the product as one's own work; and
1. Representing another's intellectual work such as photographs, paintings, drawings, sculpture, or research or the like as one's own, including failure to attribute content to an AI.
2. Employing a tutor, making use of Artificial Intelligence without acknowledgement, getting a parent to write a paper or do an assignment, paying for an essay to be written by someone else and presented as the student's own work.
3. Committing any act that a reasonable person would conclude, when informed of the evidence, to be a dishonest means of obtaining or attempting to obtain credit for academic work.

Any act of academic dishonesty will result in an automatic zero on the entire assignment
