Course Syllabus

GRADE LEVEL: Grade-4
TEACHER: Dr. John Nguyen

SCHOOL YEAR: 2023-2024
Email: jnguyen@dishs.tp.edu.tw

The DIS Physical Education program will follow the SHAPE America's National Standards & Grade-Level Outcomes for K-12 Physical Education define what a student should know and be able to do as a result of a highly effective physical education program. State school districts across the country use the National Standards to develop or revise existing standards, frameworks, and curricula.

1. COURSE DESCRIPTION

In the physical education course, fourth graders will learn how to maintain a healthy lifestyle through performing exercises and different sports skills, to train physically and mentally to achieve peak performance. They will learn basic training principles that can be applied to their daily life, to learn the basic health knowledge and practices that ensure that they will be able to make wise health decisions that also involve their healthy life. Topics would include fitness components, athletic training, and individual and team sports. The students have fun enjoying sports and exercise, aiming to mold students' behavior to engage in physical activity and sports even outside the school programs.

2. COURSE GOAL

- ☐ Discusses the nature/background of sports
- ☐ Explains the health and fitness benefits derived from playing team/individual sports.
- ☐ Activities are expected to have the opportunity to build their knowledge and skills which empowers students to engage in different kinds of sports, to promote health and fitness.
- ☐ Assess and maintain a level of physical fitness to improve health and sports performance.
- ☐ To develop a sense of fair play and cooperation in students and the ability to work in groups, leading to increased cultural understanding.
- ☐ To provide opportunities for integration of physical education with other subject areas: health, language, math, social studies, science, music, and arts.
- ☐ Demonstrate and utilize knowledge of psychological and sociological concepts, principles, and strategies as applied to learning and sports performance.
- ☐ Demonstrate knowledge of motor skills, movement concepts, principles, and strategies as they apply to learning and performance of physical activities.

3. STUDENT ACTIVITIES

Students will be taught various stimulating activities aimed at developing their alertness, balance, coordination, strength, agility, endurance, flexibility, and fine and gross motor skills through movement. Activities include warm-up activities, fitness activities, movement awareness, rhythms and dance, play gymnastics, game skills, special games, basic coaching, officiating, and closing activities. These activities are carefully chosen with the child's needs in mind to create a well-balanced physical education lesson.

- ☐ Online Class Lectures and Seatwork
- ☐ Practicing different types of locomotion
- ☐ Recreational activities
- ☐ Exercise and fitness indoor and outdoor activities
- ☐ Playing different sports
- ☐ Circuit training
- ☐ Conditioning training

4. FORMATS FOR PROPER EXERCISE

The following steps are in the proper sequence based on the Anatomy of Workouts base from The book Successful Coaching to avoid overtraining and injury.

- ☐ Warm-up

- ☐ Fitness/ Sports activity
- ☐ Cool down

5. GRADING ASSESSMENT

The physical education grades are computed as follows:

ACADEMIC DISHONESTY: Academic Dishonesty means employing a method or technique or engaging in conduct in an academic endeavor that contravenes the standards of ethical integrity expected at DIS. Academic dishonesty includes but is not limited to, the following:

- Purposely incorporating the ideas, words of sentences, paragraphs, or parts thereof without appropriate acknowledgment and representing the product as one's work; and
- Representing another's intellectual work such as photographs, paintings, drawings, sculpture, or research or the like as one's own, including failure to attribute content to an AI.
- Employing a tutor, making use of Artificial Intelligence without acknowledgment, getting a parent to write a paper or do an assignment, and paying for an essay to be written by someone else and presented as the student's work.
- Committing any act that a reasonable person would conclude, when informed of the evidence, to be a dishonest means of obtaining or attempting to obtain credit for academic work.

Any act of academic dishonesty will result in an automatic zero on the entire assignment
