## Religious Studies Department *Values Education 5* Course Syllabus

**GRADE LEVEL: 5**

**SCHOOL YEAR: 2023-2024**

### COURSE DESCRIPTION:

***“Be Still and know that I am God.”***

***- Psalm 46:10***

#### ***Welcome to the Values Education course!***

Religious Studies aims for an integral formation of the young to become a valuable and constructive member of society by offering God-centered education and inculcating the Dominican ideals: love of study, prayer, community, and service to others. Thus, we guide students to become critical thinkers, responsible and good decision makers, and persons who uphold Christian and universal values.

The 5th graders embark on an exciting journey where students will understand and practice Universal and Christian values. They will appreciate love and trust as well as the importance of respecting each other and to be responsible for the environment. They will recognize the evils of today's world and how to constantly strive and live a moral life.

As Christians and non-Christians alike, students will come to know God more deeply through the person of Jesus Christ and through their own personal experience of God in their lives and in their worship. Students will learn to see religion in general as a valid and reasonable worldview. The students will also learn about their own values, the values of society, the values of the Catholic Church, and the common ideals that they all share. Knowing these things, we hope that the students can learn how to work in harmony as one human family to create a better world for all.

## **COURSE OBJECTIVES AND CONTENTS: SWBAT discover about:**

**WORD:** Learners are expected to immerse themselves in the Word of God and let them realize that God always speaks through His Word. This is also to let the learners know that God knows how to listen and hear our prayers and petitions. And let them realize that God's Word is the manifestation of His great love for us, His beloved children.

**WITNESS:** With God's Word, learners will become witnesses of God's unconditional love and promises for us. In this manner, learners become mindful of their actions, decisions and even words towards others, most especially, to their parents, teachers and loved ones.

**WORSHIP:** As faithful witnesses and bearers of God's unconditional love for others, learners will become faithful and constantly committed to God in both seasons of joy and sorrows, victory and loss, life, and death. We pray that learners will stand on their own with holy hearts and minds, and declare, Glory to God in the highest.
