This course will help grade 10 students to focus on what it is that they desire in life and to wonder about what God desires for them. Through exploring God's Word, divine Revelation in Sacred Scriptures and in the teaching of the Church, it is hoped that students will begin to recognize God's purpose for their lives and trust in His love for them.

The Religious Studies course for grade 10 students is anchored on the three Pillars of the Campus Ministry Department namely: "Word" for Doctrine, "Witness" for the valuing and application of the concept learned, and "Worship" for the celebration of faith. The harmony of these three pillars will help to ensure holistic formation of the students. Students will be able to:

WORD: Communicate a clear understanding of God's Word Revealed in Sacred Scripture recognizing one's aspiration to find meaning in life and communicating how Catholic teachings help them in their search for true happiness and fulfillment.

WITNESS: Articulate and apply the elements involved in good moral decision-making that are relevant in their lives as seniors; intensify the D'TORCH values along with the core values of Dominicans in response to God's call to live a moral life; develop community service initiatives/projects as a response to God's invitation to serve others (Matthew 25:40)

WORSHIP: establish relationship with God by active participation during a weekly Gospel reflection, classroom-based religious activities and school-wide celebration of the Holy Eucharist; rediscover the very meaning and significance of the Holy Mass as the highest form of worship and central action and aspect of our lives of faith and the primary way Catholics worship God as a community.

RS 10 students will also use CYB or Catholic Youth Bible that is designed to provide students with an array of tools to engage in their study of Scripture, to help them see the relevance of Scripture to their own lives, and to walk with today's young people on their faith journey.

The integration of concepts from the "YOUCAT" will certainly help students deepen their understanding of the given topic for the whole school year. YOUCAT is the Catechism of the Catholic Church for adolescents and young people. The most important elements of the faith are summarized briefly and comprehensibly in a question-and-answer format. The YOUCAT was approved by the Congregation for the Doctrine of the Faith in Rome. With more than 5 million copies sold, it is one of the best-selling Catholic books in the world.
