COURSE DESCRIPTION:

Welcome to the Religious Studies course!

Religious Studies lessons invite kindergartners to learn and experience God's love through simple reflections on Scripture, connecting it to their everyday lives. Students will explore, in an age-appropriate way, the living tradition of our Catholic faith in the Dominican spirit.

They will come to know Jesus as the symbol of God's love and learn how to model their lives on Christ's teachings. Through music, songs, storytelling, and engaging activities, students will celebrate God's goodness while deepening their understanding of prayer and faith. Each lesson provides a meaningful opportunity for spiritual growth, reflection, and joy.

COURSE OBJECTIVES:

WORD:

- *I can learn stories about Jesus and how to follow Him by being kind and loving.*
- *I can value, respect, and love all God's creation.*
- *I can pray using singing, drawing, and acting out stories about God.*

WITNESS:

- *I can say how God sees good in everything He made.*
- *I can recognize how the beauty of God's creation exists everywhere.*
- *I can say that God made us special to be like Him.*

WORSHIP:

- *I can sing and praise God, our Creator.*
- *I can worship God through basic prayers.*
- *I can celebrate God's love by attending the Holy Mass in our school.*

GUIDELINES REGARDING THE UTILIZATION OF AI AND GADGETS

☀ Important School Rules to Know! ☀

Here are some helpful things to remember so we can have a happy, fair, and fun school year together!

💻 Extra School Information

- **Your Special Online Class (Google Classroom):** Your teacher will give you (your parents/guardians) a special secret code to open your computer classroom. That's where you'll find all your Religion activities!
- **No Weekend Homework!** 📍 You get to rest and play on the weekends! The only time you might have homework is before a big quiz or test. Weekends are for spending fun time with your family!
- **Time-Outs Count:** If you break big rules and get a detention (a special time-out), it will hurt your behavior grade. So always try your best to be good!

🚫 Being Honest with Our Work!

Being honest means doing your own work and telling the truth!

What is NOT okay?

- **Copying Words or Ideas:** Taking someone else's story or ideas and saying you wrote them.
- **Copying Art:** Using someone else's drawing, picture, or photo and pretending you made it.
- **Having Someone Else Do It:** Having a parent, tutor, or computer (like AI) do your homework for you.
- **Tricking the Teacher:** Doing anything sneaky to get a good grade without doing the work yourself.

 **Remember:** If you copy or trick the teacher, you will get a zero on your work!

How to Be a Superstar Student!

- **Do your own work with your own hands!**
- **Tell your teacher if someone helped you!**
- **Enjoy your family time on the weekends!**

The Google Classroom code will be given to all students to access the Religious Studies learning guide and tasks.

- *There will be NO Homework to be given during the weekend except during major exams or quizzes. It is to give students a chance to spend quality time with their family.*

Tech Rules at School!

We love learning, but we have special rules to make sure devices help us learn and keep us safe!

The Rules to Remember

- **Cellphones Go Away:** *Cellphones are not allowed during class! Give your phone to your teacher or supervisor every morning so it stays safe and doesn't distract you.*
- **Laptops Are For Learning:** *Only open your laptop when your teacher says it's time to use it for class activities or research.*
- **No Fun Apps or Videos:** *You cannot go on YouTube, TikTok, Instagram, or games while at school. School time is for school work!*
- **Be Nice Online:** *Always treat computer property with care, stay on the task your teacher gives you, and be a helpful, kind digital friend.*

 **What Happens If You Don't Follow the Rules?** *If you play games, go on forbidden sites, or use your gadget without asking, your teacher will take your device away for the day!*
